25X1X

1. The BRANDENBURG-BRIEST (N 53/3 15) airfield was not occupied by an air unit but was guarded. Recconditioning work on the flight control station, the former boiler house and a maintenance building on the southern edge of the field was completed. Passenger car [redacted] occupied by air force officers, went to the field. *

25X1C

2. Trucks [redacted] each loaded with an anti-tank gun, were also observed enroute to the field. They were probably assigned to an army unit quartered in the ROSEHOF Estate. **
